Dr Kathy Barrett
Your Career. Why Should You Care Now?
What CS Graduates from 2013 are doing

- Median starting salary £30,000
- 94% of graduates in work are doing graduate level work
- 31% are doing further study
- 4% of graduates are unemployed
Why you should care now

- To inform your choice when you get to the end of your degree
- So that you can acquire skills and experience over the next 3 years that will help you get your dream job
- To avoid that mad panic while you are sitting your final exams
- So you don’t miss any deadlines
