

Tiffin Solutions

Job Title: Software Developer (Internship)

Company: TiffinSolutions Ltd

Location: Suite 38 Market Building, 191-195 High Street, Brentford, London, TW8 8LB

Salary: Negotiable

Job Type: Internship

Hours of work: Flexible

The Company

TiffinSolutions Ltd is a start-up technology company based in West London. The company focuses on SAP consulting services and mobile app development. We are not glamorous, conventional or orthodox. What we do is build solutions that perform what they are supposed in the most cost effective manner. If you are looking for a challenging environment to push your technical skills and learn how to develop software solutions from the ground up we are the firm for you.

The Role

We are looking for a candidate to come and help us with our software development for a range of services and mobility solutions we are currently developing. The more the merrier is our philosophy.

The Candidate

Now a bit about you and what we are looking for, experience with either iOS development(Objective C) or web technologies(PHP, HTML, CSS, Javascript, Wordpress). Ideally if you know both you get extra brownie points.

The Package

If we do make a fortune along the way and you are around we might even take you out for a curry.
